Strategic communications, conservation storytelling, donor reporting, digital engagement and executive stakeholder relations across Kenya's wildlife and community rangelands.

5+ years	32+	$5M+
Communications & conservation experience	Member conservancies supported across Laikipia & Mara	Donor funding mobilized (GEF-8, GBFF, USAID, TNC)

SELECTED WORK PORTFOLIO

Communications | Reporting | Design | Conservation Storytelling

The selected examples below demonstrate my written communications, reporting, visual communication, and digital storytelling work across conservation and community development. Each entry identifies the purpose, audience, my contribution, and verified supporting evidence.

REF. / AREA	WORK SAMPLE	PURPOSE & INTENDED AUDIENCE	MY CONTRIBUTION	EVIDENCE / LINK
01 Written communications & storytelling	**LCA Quarterly Conservation Newsletters & Published Field Stories** • LCA Quarterly Conservation Newsletter (Issue 14) • LCA Ecological Monitoring During the Month of March • MMWCA Cultural Features (Emanyata Oolorikan)	To translate technical conservation telemetry, pasture recovery, and cultural heritage into accessible, human-interest narratives. **Audience:** 32+ member conservancies, pastoralist communities, conservation donors, partners, and public audiences.	**Lead Writer & Editor (Personally Created):** Conducted field interviews with rangers in Il Ngwesi, authored articles, curated photo assets, and published digital editions via Wix ShoutOut.	LCA Newsletter 2024 → Ecological Monitoring Story →
02 Donor & organisational reporting	**LCA Annual Reports & Government M&E Submissions** • LCA 2025 Annual Report • LCA 2024 Annual Report • State Department for Wildlife: GEF-8 Q1 OFP Progress Report • CI-GEF Project Annual Workplan & Quarterly Report (FY27 Q1)	To communicate organisational progress, rangeland management milestones, and fiduciary compliance under major multi-million dollar donor funding programs ($9.58M GEF-8 grant + $54.4M co-finance). **Audience:** LCA Board of Trustees, Ministry of Tourism & Wildlife, GEF Operational Focal Point, and USAID/TNC.	**Reporting Lead (Personally Drafted & Coordinated):** Synthesized multi-landscape M&E indicators, drafted executive chapters, compiled performance reporting matrices, and directed graphic layout reviews.	LCA 2025 Annual Report → LCA 2024 Annual Report → GEF-8 OFP Report (PDF) → CI-GEF Workplan (57 Pages) →
03 Programme reporting	**Oliveseed Foundation Community Needs Assessment Final Evaluation Report** • Complete 71-Page Baseline Evaluation Document • Participatory Field Appraisals (24 KIIs & 6 FGDs)	To present empirical field assessment findings and operational workplans for evidence-based decision-making and community-led development initiatives. **Audience:** Oliveseed Foundation US Board, community elders, women's groups, and field partners.	**Lead Research Consultant & Author (Personally Created):** Designed participatory appraisal methodologies, conducted 24 key informant interviews (KIIs) and 6 focus group discussions (FGDs), analyzed baseline socio-economic data, and authored the full 71-page evaluation report.	Oliveseed Google Doc (71 Pages) → Full Report PDF (2.95 MB) →
04 PowerPoint & visual communications	**Policy, Strategy & Governance Presentation Decks** • Kishon Consulting Corporate Strategy & Governance Briefings • Multi-Landscape Donor & Stakeholder Inception Decks	To translate complex multi-million dollar donor funding frameworks, conservation rangeland policies, and institutional strategies into visually compelling, executive briefing decks for leadership validation. **Audience:** Ministry officials, development partners, conservancy board chairs, community representatives, and international donor delegations.	**Visual Designer & Strategist (Personally Created):** Structured narrative storyboards, developed custom executive infographics and indicator scorecards, and formatted slide decks for high-level multi-stakeholder forums.	Kishon Consulting Profile →

REF. / AREA	WORK SAMPLE	PURPOSE & INTENDED AUDIENCE	MY CONTRIBUTION	EVIDENCE / LINK
05 **Digital communications & campaigns**	**GEF-8 Global Wildlife Program (GWP) Multi-Channel Digital Launch** • Kenya Child Project Feature • LCA Conservation Social Media & Ranger Spotlight Campaigns	To elevate the visibility of conservation grant milestones, mobilize public awareness, and deepen online community engagement (>60% audience growth across 32+ member conservancies). **Audience:** Global conservation networks, youth advocates, eco-tourism stakeholders, and the Kenyan public.	**Digital Campaign Lead (Personally Created & Supervised):** Formulated campaign messaging pillars, authored digital features and social media copy, directed creative assets, and monitored engagement analytics.	GEF-8 Project Official Story →
06 **Website & digital presence**	**LCA Web Portal Overhaul & Personal Professional Portfolio Platform** • LCA Official Web Platform (Wix/CMS) • Alex Lekishon Interactive Web Portfolio	To create a responsive, modern digital platform ensuring institutional reports, newsletters, and programmatic achievements are discoverable and interactive for external audiences. **Audience:** Donors, conservation partners, researchers, media, and hiring committees.	**Content Strategist & Web Lead (Personally Created & Managed):** Structured information architecture, curated report attachment workflows, drafted copy, and deployed modern interactive web portfolio with in-app document readers.	LCA Official Portal → Interactive Web Portfolio →
